**Subject:** Field inspection is interrupted for Chris Williams, OECA

FYI, Chris Williams called me early this morning from the DC airport. He's traveling today to come join me in the NSPS subpart OOOOa inspections in Prudhoe Bay. Travel delays in DC will cause him to overnight in Anchorage tonight, then fly up to the Deadhorse airport tomorrow morning or afternoon. Poor guy, he's lugging around **Ex. 7(E)** gear as carry-on items.

My travel plans are unchanged. I'm flying to Deadhorse this afternoon and will meet up with 3 State inspectors. We will finish our planning tonight, then kick off the 1<sup>st</sup> inspection tomorrow morning as planned

**Ex. 7(E)**

Sincerely,
